## **'S.A.L.T':**

### **A Simple Guide to Evangelism**

In his 'Evangelism 101' training session at PCWC held on November 10, guest speaker, Bishop Scott Sheppard, shared the 'S.A.L.T.' framework as a guide for believers to use in sharing the good news of salvation to others.

Remember this tool the next time you want to tell someone about Jesus:

**S** - Start a conversation; be open to speaking with people you meet.

**A** - Ask questions about topics like families, careers and interests to spark dialogue.

**L** - Listen, listen, listen and allow the opportunity to minister to arise and flow naturally.

**T** - Tell your story. Know your story and be able to share your experience.

God's enabling.*”

to stretch."

## Senior Pastor's Message

As we approach the Christmas season and the final month of this year, let us use this time to reflect on the triumphs we have celebrated together, as well as the lessons we have learnt from periods of testing.

With sincere hearts and humble spirits we recognize that for us to have come this far is a testament to God's sovereignty, love, favour and His mercy.

We acknowledge that as believers, and as the body of Christ, our duty to love, serve and impact the lives of our brethren and those in our community is critical in today's world.

We must fulfill our God-given mandate of sharing the gospel, fostering sincere fellowship and aligning directly with the Written and revealed Will of God.

This requires a myriad of inspired initiatives and programs, which as the leadership of this congregation, we will continue to implement with your full and unfading support.

Let us together embody the Word of God in unity, so that our ministries, our work on earth and our daily lives will glorify God and exemplify His truth.
